1. CONFERENCE

THE SHADOW OF THE PRECURSOR	<i>Location</i>			
	SEAFRONT HOTEL, PENNESHAW, KANGAROO ISLAND, SOUTH AUSTRALIA			

Many writers are affected by an anxious and ambiguous relationship with precursor writers. The role that influence and intertextuality plays in literary production invites interrogation, and this conference hopes to explore the range of conscious and unconscious influences informing relations between writers and their precursors. We call for papers that revolve around intertextual influence, ranging across the spectrum from conscious imitation and intentional allusion to Julia Kristeva's idea of intertextuality. Do all texts contain references to and even quotations from other texts? Do such references help shape how we read? Papers on the long shadows cast by the likes of Shakespeare, Dante, Cervantes, Sir Walter Scott and Bob Dylan, as well as papers on other writers, dramatists and filmmakers and their relationships with precursors, are encouraged.
